PROSPECTUS

OF

ST. IGNATIUS' COLLEGE,

CLEVELAND, OHIO,

JERSEY STREET.

This Institution, conducted by the Fathers of the Society of Jesus, was opened for the reception of day-scholars on the 6th of September, 1886. It was incorporated by the Secretary of State December 29, 1890, conferring on the College the power of giving the ordinary degrees.

The Courses of Study are the Classical Course and the Commercial Course; the former completed in six years, the latter in three years. To these there is joined a Preparatory Class for pupils not sufficiently advanced to enter either of the courses above mentioned. Applicants for this class, however, must be able to read, write and spell creditably, and in arithmetic they must know the four operations with whole numbers.

Owing to the great importance now attached to a knowledge of German, those wishing to begin it or to perfect themselves in it will be afforded every opportunity of doing so. The study of French is optional.

As a knowledge of Drawing, Shorthand and Vocal Music cannot fail to be of importance to some, these studies, too, are open to all students, free of extra charges.

The Object of the Classical Course is to give the student a thorough, liberal education. It has been found by long experience that this is the *only Course* which harmoniously and fully develops all the faculties of the mind, exercises the memory, cultivates a habit of reflecting, forms a correct taste, and teaches the student the best use of his powers. This course prepares the student to excel in any pursuit, whether professional or commercial. The course comprises Christian Doctrine, the Latin, Greek and English languages; Rhetoric, Poetry, Elocution and English Literature; Mathematics, Natural Philosophy and Chemistry; History and Geography; Book-keeping and Penmanship.

The Commercial Course offers to those who cannot or will not avail themselves of a regular classical training, the means of acquiring a good English or Commercial Education. It embraces Christian Doctrine, an ample course of Arithmetic, Algebra, Book-keeping, English, History and Geography, Commercial Law, Penmanship.

The Scholastic Year consists of one session, which begins on the first of September, and ends in the last week of June, when the Annual Commencement and the Distribution of Premiums take place.

The session is divided into two terms, the first ending on the 31st of January, and the second in the last week of June.

GENERAL REGULATIONS.

Admission. Every student who applies for admission must furnish testimonials of good moral character. He will be examined and placed in that class for which his previous attainments have qualified him.

Leaving the College. Parents who wish to withdraw their sons before the end of the session, are respectfully requested to give due notice of their intention to the Prefect of Discipline. Many inconveniences will thus be avoided and order secured. On leaving, students should take their books, etc., with them, as the College is not responsible for any articles left behind.

ST. IGNATIUS' COLLEGE, 1890-91.

Competition. Frequent written competitions take place, the results of which determine the standing of the student and the honors of the class. Every other month a literary entertainment is given, at which exercises in elocution, with vocal and instrumental music at intervals, manifest the proficiency the pupils have made during this period, and premium cards are awarded to such as have been distinguished for good conduct, application and proficiency.

Examinations. Two examinations are held, one at the end of the first, the other at the end of the second term.

Promotions depend partly on the final examinations, but mainly on the standing in class during the preceding year. A student of ordinary talent, and steady application during the entire session, may be easily promoted, provided he returns promptly when classes are resumed and attends regularly.

Boarders are not admitted. But dinner can be provided daily at the College for those who wish at the charge of 20 cents.

Fees and Expenses. Tuition per quarter, strictly payable in advance, \$10.00. Twenty-five cents will be added to the quarterly bill to provide a library for the free and exclusive use of the students.

Diplomas, \$5.00.

N. B.—Bills will be sent in the beginning of every quarter.

No deduction is made for removal within that period, or for absence, except in case of protracted illness.

Books and Stationery are furnished by the College at reasonable prices.

Damages to the College property will be repaired at the expense of the offender.

SPECIAL REGULATIONS.

Home Study. Parents are expected to insist on their sons' indispensable duty of home study. It is utterly impossible to accomplish the work laid out for each year, unless the students devote at least two or three hours daily to private study at home.

Attendance. Punctual attendance is earnestly recommended. Severe illness is, generally speaking, the only excuse for staying away. Parents are regularly informed of the non-attendance of their sons, who, in the case of absence, are invariably required to bring a note of excuse to the Prefect of Discipline. If parents do not insist on home study and punctual attendance, they need not be astonished if their sons disappoint their expectations.

Religious Training. The Moral and Religious Training of the scholars being the most important part of education, the students are required to be present at Mass every day, to make the Annual Retreat, and to go to the Sacraments at least once a month.

Politeness. Along with the moral and mental training, the Faculty lay great stress on the development of the manners of perfect gentlemen, and consider the rules of politeness a very important part of the course of studies. Whatever, therefore, is contrary to good breeding, is out of place in College. Consequently, no boisterous conduct or rough play is tolerated on the premises, and silence is strictly enjoined in the class-rooms, and in the corridors or stairways leading thereto. Any ungentlemanly conduct among the students themselves, any disrespect or insubordination to a professor or officer of the College, shall be visited with dismissal, should the gravity of the offense require such a penalty. For faults committed *outside the premises*, the officers of the College are by no means responsible; should, however, any serious charge be sufficiently proved, the guilty will be punished according to the gravity of the offense.

Dress. All are expected to be clean and neat in person and apparel.

Paternal Government. The rules are enforced with gentleness combined with firmness, and punishment is resorted to only when motives of honor, self-respect and religion fail.

Reports. Weekly reports are given respecting the students' conduct, application, attention and deportment; parents are requested to sign these reports, and to see that they are returned to the College. At the end of each term, semi-annual reports will be sent to the parents to inform them of their sons' proficiency in the various branches.

School Hours. The College is open every morning at 7:30. Those who come before the time of class should proceed at once to the study hall, and devote the interval to private study. All are required to be present five minutes before eight o'clock, at which hour the students hear Mass. Class begins at 8:30 A. M., and continues till 12 M., and 1:15 to 3:30 P. M. To excuse late arrival, be it on account of great distance or what reason soever, special arrangements must be made with the Prefect of Discipline.

Holidays. Thursday is the weekly holiday, but should there be an extraordinary holiday during the week, classes may be continued as usual. Other holidays are all holy days of obligation, the national holidays, Christmas-vacation from December 24th to January 2nd, and Easter-vacation from Wednesday in Holy Week to Wednesday in Easter Week.

Schools will re-open Tuesday, September 1st, at 8 o'clock A. M.

It is highly important that all the students be present on the day of re-opening, as those who come late find it difficult to make up for lost time.
